

Did You Know?

- That the Arctic ice cap has grown 29% in just one year. There is now solid ice from Canada to Russia!
<http://www.dailymail.co.uk/news/article-2415191/And-global-COOLING-Return-Arctic-ice-cap-grows-29-year.html#ixzz2mKA1Yk91>
- The United Nations has repudiated Global Warming through its own agency reports. The island nations that were supposed to be underwater from ocean levels rising are experiencing record growth in populations.
http://www.americanthinker.com/blog/2013/12/un_repudiates_global_warming.html
- Polar bear populations are increasing in Canada and scientists in the arctic region deny that "global warming" is impacting polar bear populations.
<http://www.examiner.com/article/canada-s-growing-polar-bear-population-becoming-a-problem-locals-say>
- The computer model predictions for temperature increase from carbon dioxide content in the atmosphere vastly differs from reality.
<http://tucsoncitizen.com/wryheat/2013/04/19/global-temperature-continues-divergence-from-model-predictions/>
- Too Big to Fail banks and Corporatists are poised to make trillions of dollars from Climate Change policies and that you will be the ones on the hook to pay them.
<http://www.forbes.com/sites/markhendrickson/2012/09/16/climate-change-hoax-or-crime-of-the-century/2/>
- Man made "climate change" was supposed to make hurricane season significantly worse, yet the 2013 season produced the fewest number of hurricanes since 1982.
<http://www.accuweather.com/en/weather-news/2013-atlantic-hurricane-season/20467725>
- Australia dropped its carbon trading policy and electricity prices dropped immediately.
<http://www.abc.net.au/news/2013-11-07/carbon-tax-repeal-will-cut-power-prices-immediately-hunt-says/5075624>

Do you ever ask yourself why we are imposing confiscatory regulations on ourselves to save us from a problem that may not even be real? Do you ever ask yourself who benefits from these policies? Hint: as always, follow the money.
